### Safe Return Plan Updated

**Safe Return Plan text and assurances must be agreed to every six months.**

Date Plan Updated

Describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services. ([count] of 1000 maximum characters used)

The OTSD is offering many extended learning programs summer 2022. The OTSD has returned full time, 5 days a week in-person for the 2021/22 sy, and is also offering afterschool activities. Grade level standards based lessons will be planned, along with benchmark assessments to determine baseline data. The OTSD tiered system of intervention aligns with the State framework, NJMTSS. These interventions are part of our general education program. Students will receive Social Emotional Learning curriculum via programs such as Kelso's Choice. Mindfulness & self-help practices will be integrated in health lessons. We will provide ongoing professional development to support a positive school climate for both staff & students. We will continue all our cafeteria policies that successfully worked to provide breakfast & lunch meals to all our students.

Describe how the LEA sought public comment on its plan, and how it took those public comment into account in the development of its plan. ([count] of 1000 maximum characters used)

The plan was posted on the district website for the community to view.

Describe how the LEA ensured that the plan is in an understandable and uniform format; is to the extent practicable written in a language that parents can understand or, if not practicable to provide written translations to a parent with limited English proficiency, will be orally translated for such a parent; and upon request by a parent who is an individual with a disability as defined by the ADA, will be provided in an alternative format accessible to that parent. ([count] of 1000 maximum characters used)

Our plan was developed using simple statements and clear objectives. For our non-English speaking community members, the plan is available via our district translator. If requested, district administration will explain the key points to parents with disabilities.

Briefly describe any guidance, professional learning, and technical assistance opportunities the LEA will make available to its schools. ([count] of 1000 maximum characters used)

At any schools request, district administration will provide guidance regarding professional learning and technical assistance within the school environment or on a district level.

Provide current link to the district's website where the plan is posted.

By checking this box and saving the page, the applicant hereby certifies that they will assure that the information contained in the Safe Return to School plans will be updated within this system every 6 months during this grant project period.
